Update from 6/18/01 Meeting

1. Home Tour was a big success. 150 participants
2. 501 3 C application has been completed. Monies were approved for it to be sent in. A big THANK YOU to Joni Carnes for doing this very important application for the association.
3. Code Enforcement Mtg. for month was canceled. Ken Campbell has been appointed to the Code Enforcement Board. Discussion ensued by several members present about code enforcement. It was suggested that a member of the Code Enforcement be asked to the next meeting to address the issues that were brought up. Several representatives will be attending the meeting in July. So anyone with questions, comments, or concerns is invited to attend.
4. Web Site - Rodney Carnes states it is up and running. Please take a look and let him know if you want to be added to the mailing list. Rodney also attended the Northside meeting and has been selected to be the liaison between the two associations. All are still welcome to attend their meetings. They are the 1st Monday of each month at 730pm.
5. Mr. Campbell asked that everyone take a look at the sketches for the new signs for the South Historic area. These will be voted on at the next meeting.
5. Luminaries: It was decided that the area would like to participate on both dates that these are done in December. One on the 8th and the 24th. How the supplies will be paid for will be decided at the next meeting.
6. Grounds Maintenance: Lyn Freeman volunteered to mow the Community Center property once a month. Anyone that would like to help please let him know.
7. Fall Antique Fair: November 10th. The application fee was approved for the association to participate.
8. Donna Bietzel has set up the phone list for notifying residents in the area of on going crime activity. There have again been several break-ins to cars. The phone list was initiated with good success. Thank you to all that have volunteered to participate on this. We hope it will help deter some crime in our area. The new Police Chief is aware of it and thinks it is great. Martawn Reese is the chairperson of this committee.
9. Congratulation to Charles and Betty Wilson at 508 Laurel St. for receiving the Appearance award for July.
10. Also would like to thank Rodney Carnes for the great message he sent out via e-mail warning about the recent crimes in the area. Please sign up on the e-mail list to get these notifications.

Our thoughts and prayers go out to Pat Wilson for the loss of her husband.

Our thoughts and prayers also go out to Henry Chastain for a speedy recovery.

Next Meeting: July 16th at 7pm

**Kirby St. Community Center
Please bring a chair for
real this time.**
