Updates from Septembers Mtg.

1. Treasures' Report: Joni Carnes – utilities bills have been corrected.
2. New neighborhood signs approved and money has been allocated for them.
3. Community Center update- Nancy Henderschott- we will need to put in an additional bathroom and plumbing. This will be initiated in Phase II of the renovations. Everyone needs to check out the building. Progress is well on the way.

The next several months look to be very busy with the holidays coming up. Our next event is the Antique Fair on Nov. 10, 2001. Please start digging out those old unwanted treasures (antique/vintage) for this fundraiser for the Association.

Next Mtg: 10/15/01
Time: 7pm
Place: Tilghman House

Congratulations to
The Perallon's
Appearance Award

Thank you to all that helped out on Sept. 30th with the clean up of the community center grounds. It is really starting to look great.

The Fall Gathering was a wonderful success. Lots of food and socializing.
Thank you Debbie Orr

A representative from the Police Dept. will be at our next Mtg to help us set up a neighborhood watch. Please attend if you wish to participate.

I want to thank the folks that deliver the newsletter. They have done a lot of extra work this month with all the fliers. We appreciate your help in getting the news out to your neighbors.

HAPPY HALLOWEEN
