Dear Friends and Neighbors:

As I reflect over the last year I wanted to take this opportunity to say THANK YOU to all that supported Henry Chastain and his family. One of the things that first drew me to Palatka was the genuine nature of the residents here and that was clearly demonstrated over the past few months through the many calls, flowers, food and visits made to the Chastain Home. Henry was a true believer in this neighborhood and with good reason. I would match the integrity and caring of this neighborhood against any family unit around. At our lowest moments neighbors were there and I can't tell you how much that meant to both Henry and his family. As we embark to a New Year and probably the most difficult one of my life let us strive to be even better neighbors and friends. Henry Chastain touched a lot of people with the way he lived his life to the very end. Let us take his qualities and try to be a little kinder, more understanding and always ready to lend a hand without wanting anything in return. I hope you all have a healthy, happy, and prosperous New Year. Again my sincere and heartfelt thanks to each and every one of you.
