### Jan. 21, 2002 Meeting

1. Treasures Report- Gas lights- the Association normally pays \$500 a year towards bill. The City has requested an additional \$400 from us. Ted McGibbons to follow up with Gas Board on this and get back with us.
2. We are now a tax-exempt organization and a 501-3C designated organization.
3. Amanda Watts has written the grant proposal that will be on the State agenda Feb. 12<sup>th</sup> for matching funds for the restoration of The Community Center. It was approved for the Association to provide funds for her to go and represent us at this important meeting in Tallahassee.
4. New Officers were elected.
5. Rodney Carnes – states our new website server is up and running. The address is still the same. [www.shna.net](http://www.shna.net). If anyone wishes to be on the mailing list please let him know. It was also proposed that we use this web site for classified ads for the Association members and also provide the service for a fee for non-association members. More investigation / information is need on this as well as any legal issues that need to be clarified before going forwarded. This will be a wonderful benefit to members. We will also be putting classifieds in the newsletter. I.e., garage sale, single items for sale, services, etc. This will all be discussed at the next meeting.
6. Joni Carnes volunteered to do the landscaping around the new neighborhood signs. Thank you!
7. Ken Campbell will now be heading the Community Center Restoration project. The outside of the building will be finished first. We also need to Thank Ken for the donation of the locks and handles for the doors.

### Help Needed

We need help and chair persons for the following committees. If you can assist with any of them please contact Rodney Carnes.

- **Tours of Homes**
