### Update from 2/18/02 meeting

1. Dannette Evey from Animal Control was guest speaker. We want to thank her for coming. A few items she pointed out are that you can not just let your dogs run, even to just go out to go to the bathroom. They must be on a leash or behind a fence. There is a \$57.00 fine for each incident. They must also have a rabies vaccine yearly. There is a \$57.00 fine for this also. There are noise ordinances that apply to dogs barking too. Please be considerate of your neighbors and take pride in your neighborhood and clean up after your dogs when they are out. No one likes to step in something their neighbor's dog has left behind. Obey the leash laws.
2. The City of Palatka has asked us to give an additional \$250. towards the gas light bill.
3. The Treasures report for last year was handed out. We had an ending balance of \$2,121.20.
4. Joni Carnes asked for approval of \$200 for landscaping the area around our new signs. This was approved.
5. Our new website is up and running. Rodney Carnes will be accepting classifieds for it. They are free to paid members of SHNA. Non-paid members and nonmembers will be asked to pay \$5/month per ad. Business will be asked for \$10/month for per ad.
6. We are asking for suggestions for a name for the new community center.
7. Melanie Parker provided samples of the new Welcome Baskets. They will be \$20/ea. All approved them.
8. Lynn Freeman volunteered to chair the Christmas float committee.
9. Representatives from the Police Dept. were present. We appreciate their presents and invite them to come monthly.
10. We still need help with many of the committees. Tour of Homes and The Social Committee are two of the biggest ones. Please these are important functions to promote our neighborhood. Any help will be appreciated.

Next Mtg: March 18<sup>th</sup>  
Place: Tilghman House  
Time: 7pm
