4/15/02 Meeting Update

1. Please, everyone we will be voting on a name for the Community Center. If you wish to have a vote please attend the next meeting. You may let Ken Campbell know if you cannot attend to get an absentee ballot to vote.
2. Treasures Report –\$ 2,497.63
Approx. 42 paid members
3. Correction to the last newsletter – It was not intended to appear that new construction was not welcome in the neighborhood or that the Rawls were not welcome. The information presented was discussed at the meeting and the points were made that some issues with new construction need to be clarified to all so that the historic nature of our neighborhood is preserved.
4. Ken Campbell will be going to the City Commission to request our tax increment money to finish the outside of the community center.
5. There will be **no** Tour Of Homes this year. No one would volunteer for the chairpersons' position. This was our only fundraiser to pay bills with. I.e. – gas lights, luminaries etc.
6. Please take a look at the web site. Rodney Carnes has added a lot of new features. If you would like your home on it, provided info to Rodney and a picture or just info and he can get the picture.
www.shna.net
7. Arleen Huber – came to talk about Celebrate Putnam – programs that will be going on throughout the year about Putnam County and its heritage. Please check the paper and our web site for further info.
8. Rodney Carnes is now on the Code Enforcement Board.
9. Gary Woods – discussed the potential demolition of several historic homes on the Northside and asked for our support at the meeting where this will be discussed to not allow this to happen. He will provide further information and date of mtg as soon as it is available.

Printings for the Newsletter and any fliers will now be provided free of charge by Trety USALLC a new company locating in Palatka on Reed St. We thank them and welcome them to our community.

*Next Meeting – May 20,2002
At the Tilghman House
Time: 7pm*
