**T**here are lots of interesting things to browse through on our neighborhood web page. Most recently, Nancy Jones has agreed to place here listings there. If you are curious as to who is selling and how much they are asking, Nancy has all the answers at: [www.shna.net](http://www.shna.net)

**Tour of Homes-** Jack and Renee have graciously volunteered to chair the Tour of Homes committee this year. Although it is a few months away, it is never too early to start planning. If you would like to participate in our annual Tour of Homes please contact Jack or Renee.

**Hammock Hall-** George Warren, chairman of our building committee, has received bids for painting a mural on our community center. The meeting participants voted to pursue a mural and spend the added funds needed to prep the side of the building properly. We also voted to change the front of the building in order to make it more functional and aesthetically pleasing.

**Gas Lamps-** Mr MacGibbon, head of the gas lamp committee, brought up the damaged gas lamp on the corner of Crill and Carr. It was decided that the lamp should be removed completely. The \$500.00 annual gas bill for the lamps will also be paid.

**Good News-** Ms. Scoggins, our Police Partners liaison, has reported that there has been a 43% decrease in aggravated assault in the city. The PPD is also working hard on getting the weed and seed program started. Officer Well was named officer of the year, congratulations!

**All Trimmed Up-** If you have noticed our sidewalks looking cleaner and more trimmed, you may want to call and thank the city. The city has supplied workers to trim our sidewalks and overhanging trees.

**Clean-up-** We have postponed a clean-up of the lot next to Hammock Hall until the weather is more pleasant. At our next meeting we will discuss when we will be holding another yard sale, and what we should do with the items that have not sold. Please come, everyone's input is important.

**Appearance Award-** The appearance award this month was presented to:
