

# SOUTHSIDE NEWS

## PALATKA, FLORIDA

THIS NEWSLETTER IS FOR THE NEIGHBORS IN THE SOUTH HISTORIC DISTRICT AND IS PUBLISHED BY THE SOUTHSIDE HISTORICAL NEIGHBORHOOD ASSOCIATION.

PUBLISHER: ALICE CLARK      OCTOBER, 2004

### SOUTHSIDE SURVIVES

Except for a few trees and minor damage here and there, our old homes stood up to all the rough weather of late. What a blessing.

### AROUND TOWN

If all goes well there may be some nice shade trees planted at the Rotary Park. They will certainly be appreciated by all those folks who attend games and will help to make our neighborhood an even nicer place than it is now.

### CITY BOARDS

Consider being on one of the city boards. On some of them you must make a financial disclosure when applying, but not all for them. If you are interested in serving on one of them call Betsy Driggers, City Clerk and find out if any positions are open.

-----  
The next meeting of SHNA will be Monday, October 18 at the home of Christy Sanford, 312 Dodge St....7 p.m.  
-----

### APPRECIATION

Thanks to Pat Wilson for having the September meeting in her

home and for the lovely refreshments (with the help of Sara Alice MacGibbon).

### TOUR OF HOMES

The Filions have offered their garage and yard for serving refreshments during the Tour of Homes. Mark your calendars for Saturday, December 4....Tour of Homes, Lighted Riverfront, Lighted Boat Parade, and much more!!!

Note to Riverfront residents: Please consider putting some lights on your docks that evening.

### ANTIQUÉ AND ART FAIR

Lucille Estes and Nancy Jones are making final plans for the two booths to be set up at the Bronson House. Remember, the Antique and Art Fair, sponsored by the Historical Society is Saturday, November 13. Call one of these ladies if you have anything for a booth or wish to work. Or, just drop by that day and enjoy the festivities.

### FALL FOLIAGE

With fall comes lovely foliage. Our neighborhood may not be as colorful as it is to the north of us, but we have signs of the season. Did you see the Leary Corner, with the many hurricane lilies blooming? They were so well named, weren't they?
